## **CHANGE OF JUDGE FOR THE 2010 ROYAL MELBOURNE CHAMPIONSHIP DOG SHOW**

Due to unforeseen circumstances, Dr Tamas Jakkel from Hungary is now unable to fulfil his appointment at the 2010 Royal Melbourne Championship Dog Show.

While we are disappointed that Dr Tamas Jakkel is unable to make the trip, we are delighted to advise that with the assistance of Tamas and friends, the assignment he was scheduled to judge will now be judged by **Carlos Fernandez-Renau from Spain**.

Carlos is one of the very well respected 'All Breeds' judges from Spain and we sincerely thank him for accepting our appointment at such short notice.

Carlos Fernandez-Renau has been in dogs all his life. When he was young, he showed for other people and finished dogs in every single group, winning his first BIS at the age of 17 with a Great Dane. Later, he bred Long-Haired Dachshunds, with six generations of homebred champions.

In 1976, he started in Standard Poodles and, over the years, came to breed the four sizes, with champions and BIS winners in all of them. He is very proud of the fact that dogs of his have been influential sires in different countries, some of them having also been all-breed Dogs of the Year in such diverse places as Argentina, Finland, Mexico, Chile, etc.

One of the things he is most proud of is that, thanks to his first U.K. export, Ch. Del Zarzoso Palomo at Nankia, the Standard Poodle Club changed the class "any other colour than black" to "any other colour than black or white", due to the high quality of his white offspring.

Over the years, he has finished champions and had top winning dogs in different breeds, including Maltese, Bichon Frisé, Miniature Schnauzer, Pekingese and American Cocker Spaniels.

Carlos Fernandez-Renau has been judging Internationally on a regular basis for more than 30 years and has had many assignments all over the World.

We welcome Carlos to his first Royal Melbourne Show and we are sure that he will enjoy his assignment and that exhibitor's will applaud his appointment.
