

Shop for DOGS Victoria!

DOGS Victoria has joined the Ritchies Community Benefits Scheme which donates money to DOGS Victoria when members shop at Ritchies grocery and liquor stores.

The RSPCA has already received more than \$1 million from this same program, so let's also make a success of it for DOGS Victoria.

How does it work?

Every time you shop at a Ritchies store and have your card or keyring scanned 1% of your total is donated back to DOGS Victoria.

It is very simple and costs you nothing. In fact, by having a community benefits card you can even take advantage of weekly specials exclusive for card members which will save you money.

How to Join?

1. Ring the office on 9788 2500
2. Email the office on office@dogsvictoria.org.au
3. Stop by the office in person

You will be given a pre-coded card and two keyring tags so you can start shopping immediately and have the donation automatically go to DOGS Victoria.

4. Go to your local Ritchies and ask to join the Community Benefits Scheme. When you fill out the form, simply list DOGS Victoria as your organisation of choice for the donation.

Make sure everyone in your family and all your friends have a card. You have to shop for groceries anyway, so why not shop at a store that will give back to your organisation?

Make sure your fellow club members have a card and the next time your club needs a few bottles for an upcoming show, purchase them from a Ritchies liquor store. You can join the Ritchies wine club separately to get special deals on wine and still use your Community Benefits Card when purchasing from the liquor store.
